## **2024 FAIR SPONSORSHIP OPPORTUNITIES**

Dear Valued Partner:

Preble County Agricultural Society is gearing up for another terrific fair for 2024. The Preble County Fair has a rich tradition of promoting and showcasing agriculture in Preble County. Each year, we want to provide educational and character-building opportunities for youth and adults. We also want to provide an opportunity for the community to come together and enjoy the fellowship, fun, and education that the Preble County Fair creates!

We are continually striving to make our fair better each year. Our success is due to our partnerships with our sponsors. Our sponsors are vital to the success of the Preble County Fair. We could not achieve what we achieved without the financial support of our community sponsors. Once again, we are seeking support from our local businesses, organizations, and individuals through our sponsorship program. Sponsorships are a great way to support the county fair and are valuable investments for your business or organization. Below are some ways you can get involved. (We have tried to list ALL our many available sponsorship options.) All donations and sponsorships are tax deductible.

We hope you can take some time to read through this packet and come up with a list of areas you would like to support in 2024 by completing the back page of this packet. Thank you for considering our request. We would like to receive sponsorships by Monday, July 1, 2024. Please reach out to the fair office if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Karen E. Hamilton". The signature is written in a cursive style.

We also recognize some of the best of the best in the Showman of Showman Contest, Skill-a-thon Contest, Rate of Gain Contest, 4-H State Fair Representatives, and our Premier Exhibitor Recipients. All sponsors will have their names displayed on a banner and announced during the livestock and non-livestock shows and listed on the Preble County Fair website and in next year's premium online fair book.

**OPEN CLASS:** Along with Junior Fair exhibits, we also host a variety of open shows (shows open to all ages) from open horse and pony shows to flower shows, to jackpot livestock shows to crafting and photography. We had over 1,000 open-class exhibitors last year. Each exhibitor uses the online premium book to help make their entries.
