## **175<sup>th</sup> Preble County Fair Sponsorship Opportunities**

Dear Valued Partner:

Preble County Agricultural Society is excited to announce that we will celebrate our 175<sup>th</sup> fair in 2025. The Preble County Fair has a rich tradition of promoting and showcasing agriculture in Preble County. Over the years, we have provided educational and character-building opportunities for youth and adults. We have also had the community come together and enjoy the fellowship, fun, and education the Preble County Fair creates!

We are continually striving to make our fair better each year. Our success is due to our partnerships with our sponsors. Our sponsors are vital to the success of the Preble County Fair. We could not achieve what we achieved without the financial support of our community sponsors. Once again, we seek support from our local businesses, organizations, and individuals through our sponsorship program. Sponsorships are a great way to support the county fair and are valuable investments for your business or organization. Below are some ways you can get involved. (We have tried to list ALL our many available sponsorship options.) All donations and sponsorships are tax deductible.

We hope you can take some time to read through this packet and complete the back page with a list of areas you would like to support in 2025. Thank you for considering our request. We kindly request that you submit your sponsorship form to the fair office by May 30, 2025. Please reach out to the fair office if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Karen E. Hamilton".
